**CITY OF PRINCETON
FIREWORKS FACTS AND SAFETY GUIDELINES**

Fact:

1. Only non-explosive and non-aerial consumer fireworks are legal to be sold or used. Fireworks that explode, leave the ground, or shoot anything other than sparks into the air are still prohibited.
2. Use of these devices on public property is *not permitted* (i.e. parks, roads, alleys, sidewalks, etc.).
3. You must be 18 and have photo identification to purchase consumer fireworks.
4. Fireworks are dangerous and can cause injury or damage when not used correctly.

Safety Guidelines:

1. Read, understand, and follow the instructions on *each* device before lighting.
2. Use only with close adult supervision.
3. Use fireworks only in a safe place away from anything that could be damaged or burn, such as buildings, brush, combustibles, etc.
4. Do not mix fireworks use with alcohol consumption or other drugs.
5. Keep fireworks, lighters, and matches away from small children.
6. Store fireworks in a cool, dry, and safe place.
7. Do not use fireworks if they have become wet.
8. Do not carry fireworks on your person.
9. Do not use smoking materials around fireworks.
10. Never light fireworks inside another container such as a bottle or can.
11. Use of eye protection is recommended.
12. Never throw fireworks at other persons or animals.
13. Light fireworks one at a time and stay clear of them after lit.
14. Never stand over fireworks when lighting. Approach from the side and keep your body away.
15. Never re-light a malfunctioning firework. Stay clear for an extended time and soak the device in water before handling it.
16. Never experiment or alter fireworks.
17. Do not store fireworks in your vehicle.
18. Be respectful of other people's rights and use fireworks only when they will not be a nuisance.
19. ***BE EXTREMELY CAUTIOUS AND ALWAYS KEEP SAFETY IN MIND.***
